## SUBJECT INDEX

Volume 18, 1989

### Adolescents

Baisch et al. (see Breastfeeding)

### Anxiety

Albrecht, S., & Rankin, M. Anxiety levels, health behaviors, and support systems of pregnant women, 49.

Kennedy & Riddle (see Preparation)

### Breastfeeding

Baisch, M. J., Fox, R. A., Whitten E., & Pajewski, N. Comparison of breastfeeding attitudes and practices: Low-income adolescents and adult women, 61.

### Cardiac Surgery

Miles, Carter, Hennessey, Riddle, & Eberly (see Consortium Study)

### Child/Children

Kennedy & Riddle (see Preparation)

Miles, M. S. (see Consortium Study—Epilogue)

### Cognitive Themes

Afonso & Sheptak (see Maternal)

### Consortium Study of Parent Stressors in the Pediatric ICU (Theme Issue)

Barnes, C. M. Preface to the Theme Issue, v.

Miles, M. S., Carter, M. C., Eberly, T. W., Hennessey, J., & Riddle, I. I. Toward an understanding of parent stress in the pediatric intensive care unit: Overview of the program of research, 181.

Carter, M. C., & Miles, M. S., The Parental Stressor Scale: Pediatric Intensive Care Unit, 187.

Miles, M. S., Carter, M. C., Riddle, I. I., Hennessey, J., & Eberly, T. W. The pediatric intensive care unit environment as a source of stress for parents, 199.

Miles, M. S., Carter, M. C., Hennessey, J., Eberly, T. W., & Riddle, I. I. Testing a theoretical model: Correlates of parental stress responses in the pediatric intensive care unit, 207.

Riddle, I. I., Hennessey, J., Eberly, T. W., Carter, M. C., Miles, M. S. Stressors in the pediatric intensive care unit as perceived by mothers and fathers, 221.

Miles, M. S., Carter, M. C., Hennessey, J., Riddle, I. I., & Eberly, T. W. Effects of the intensive care unit environment on parents of cardiac surgery children, 235.

Miles, M. S., Epilogue: The challenge of enhancing the parental role when a child is critically ill, 241.
